SRM Program Director

Dr. Dave Shonk
shonkdj@jmu.edu

**SRM Practicum and
Internship Coordinator**

Dr. Josh Pate
patejr@jmu.edu

HART SCHOOL
JAMES MADISON UNIVERSITY

Sport & Recreation Management Major Planning

Program Information

- This outline is only a planning tool – actual schedules may vary. Please consult the catalog for official graduation requirements.
- All required SRM classes are offered Fall and Spring – there is limited summer availability for some classes, but this should not be depended upon to speed up graduation date.
- To declare the major, the student must submit a request in MyMadison as well as complete a major orientation video and quiz online. Please plan ahead when considering a major change.
- All courses, including practicums and internships, carry tuition costs. Summer tuition is billed separately.
- Students are limited to a maximum of one additional course while enrolled in the SRM 482 internship. During a fall or spring semester only, students may request permission from the Internship Coordinator to take two courses in addition to the internship.
- A final 2.0 GPA is required for all declared programs, including the required minor.
- All students must earn a minimum of 120 credits for graduation.
- Some students may apply for and be accepted into the Entrepreneurship minor. This minor replaces the General Business requirements for SRM students. All SRM students must complete either the General Business or the Entrepreneurship minor.
- It is the student's responsibility to:
 - be aware of and abide by departmental policies and deadlines.
 - be aware of all prerequisites as outlined in the catalog.
 - be aware of and fulfill all graduation requirements as outlined in the catalog.
 - declare the appropriate major (SRM – BS) and minor (General Business or Entrepreneurship) via MyMadison.
- For General Education requirements, visit jmu.edu/gened
- For official degree requirements and university policies, visit jmu.edu/catalog
- For further advising assistance, visit jmu.edu/hartschool/caps/advising/index.shtml
